

Packaged Terminal Heat Pumps

\$500 Instant Incentive

Equipment Eligibility

- ✓ $\leq 10,000$ Btuh, ≥ 12.1 EER and 3.5 COP
- ✓ $> 10,000$ Btuh, ≥ 10.7 EER and 3.1 COP

Customer Eligibility

- ✓ Equipment must be sold for installation at a facility that pays a commercial or industrial rate for electricity from an NHSaves utility partner (Eversource, New Hampshire Electric Co-op, or Unitil) in New Hampshire
- ✓ Municipal electric customers are ineligible
- ✓ Must not already be receiving incentives through another program

Required Installation Information

- Installation site business name
- Installation site address
- Estimated install date
- Contractor information
- Commercial building type
- Project type

Note: Sales of ten or more units OR sales totaling over \$8,000 in total incentives to one installation require pre-approval.

To obtain pre-approval, contact Energy Solutions at 617-440-5467 or hvac-ne@energy-solution.com.
